Dear Stealth Media :

I am writing this letter to you as a recommendation for Eric Ellis and Stealth Media Services, who is a DirecTV provider for the Mountain West region of the United States.

I have worked with Eric and Stealth Media for over five years and I have always found him to be responsive and attentive to the needs of the properties that I have represented over the years. In addition is he quick to provide cost estimates and updates as it relates to the projects that we have worked on, as well as reasonable solutions when we've been faced with budget or scheduling issues.

I've now worked with Eric and his company on rolling out the DRE DirecTV solution to three properties in Colorado. Those properties are: Timbers Bachelor Gulch, the Sebastian and One Steamboat Place. All three projects that I've worked with Eric on have come in on budget and on schedule. The ownership as well as management and HOA Boards at these properties have been very happy with the quality of work and attentiveness to their needs that Eric has provided.

I'm happy to recommend the services of Stealth Media to any property considering switching over cable providers to DirecTV. I believe you'll have a similar experience as I've had over the last five years.

Sincerely,

Elliot M. Lawrence
